Where the Good Times Roll

6-Piece Live Rock Band • Austin & Central Texas

Rockslide is a six-piece live rock band out of the Austin, Texas, area, fronted by two powerhouse female vocalists and backed by seasoned musicians. Trading verses and stacking harmonies, the two leads give the band a range a single frontperson can't cover — a soaring Journey chorus one moment, the swagger of Joan Jett or Pat Benatar the next, then the raw emotion of an Adele ballad. The setlist spans six decades of crowd favorites — The Beatles, Queen, Bon Jovi, Def Leppard, Paramore, P!nk, and more — classic rock, '90s hits, and modern sing-alongs everyone already knows the words to. From amphitheaters to festival stages to bar rooms, Rockslide brings big-stage energy and a crowd-first attitude built to get a room on its feet.
